## Dye Sub Experts Introduce Crystal Jewelry

Mother's Day is coming - add sparkle and elegance to your jewelry line! LRI announces the addition of Crystal Jewelry to its line of unique dye sublimation blanks. Dazzling crystal pendants create the perfect focal point for any image. Available in four shapes and sizes, crystal pendants can be used as necklaces, chokers, earrings, or small Suncatchers. Attachment bails included. For greater impact, display pendants in velvet-lined Keepsake Boxes, also available from LRI. Other unique products from LRI include Tables, Step Stools, and Scratch-Resistant Floor Tiles. LRI is a major supplier of dye sublimation inks, equipment, imprintables and custom coating services.
