## LRI Introduces Sublimatable Shell Jewelry

Always the innovator, LRI has developed another unique item for dye sublimation – natural shell jewelry! Shimmering shell pendants and earrings, hand-crafted from real Mother of Pearl, add elegance to any jewelry line. And the natural luster sets your designs apart! Available in four shapes and sizes, shell pendants are perfect for necklaces, chokers, earrings, jacket pins, hair combs, and more. Attachment bails included. Display pendants in velvet-lined Keepsake Boxes, also available from LRI. Other unique products from LRI include Tables, Step Stools, and Scratch-Resistant Floor Tiles. LRI is a major supplier of dye sublimation inks, equipment, imprintables and custom coating. Call 877-795-1500 or visit [www.DyeSubExperts.com](http://www.DyeSubExperts.com).
